315990 - APPAREL MANUFACTURING

313210 - BROADWOVEN FABRIC MILLS

323113 - COMMERCIAL SCREEN PRINTING

315210 - CUT AND SEW APPAREL CONTRACTORS

314999 - MISCELLANEOUS TEXTILE PRODUCT MILLS

CORE COMPETENCIES

- ▶ **Advanced Cut & Sew Manufacturing:**
Precision construction of uniforms, tactical gear, and performance wear engineered for durability, comfort, and consistency.
- ▶ **Innovative Fabric Development:**
Custom fabrics designed to meet or exceed military specifications for strength, breathability, flame resistance, and overall performance.
- ▶ **Reliable Fabric & Material Sourcing:**
U.S.-based, Berry-compliant sourcing of cotton, polyester, nylon, and advanced technical blends to ensure quality and supply chain security.
- ▶ **High-Quality Embroidery:**
High-durability insignias, logos, and patches produced with military-grade threads for long-lasting wear and compliance with appearance standards.
- ▶ **Screen Printing:**
Mission-ready prints for unit identifiers, branding, and compliance applications that maintain clarity and durability in the field.
- ▶ **Durable Threads & Yarns:**
Comprehensive selection of U.S.-developed, military-grade threads and yarns built for strength, colorfastness, and reliability.
- ▶ **Precision Garment Dye:**
Berry-compliant garment dyeing with precise color-matching, superior wash durability, and consistent tone across production runs.

DIFFERENTIATORS

- ✔ **100% Berry Compliant:**
All fabrics, trims, dyes, and labor are sourced and produced in the U.S., ensuring full Berry Amendment compliance and strengthening domestic supply reliability.
- ✔ **Mission-Ready Production:**
Proven experience delivering high-performance uniforms and textile products to defense and government clients, built to withstand demanding operational environments.
- ✔ **Vertical Supply Chain:**
Integrated fabric development, dyeing, and sewing operations allow for faster turnaround times, tighter quality control, and consistent product excellence.
- ✔ **Scalable Capacity:**
Flexible production systems support both rapid-response small runs and sustained high-volume orders without compromising quality or delivery.
- ✔ **Quality Assurance:**
Strict inspection and testing processes meet or exceed MIL-SPEC standards, guaranteeing dependable performance and durability in the field.

PAST PERFORMANCES

- Successfully supplied Berry-compliant uniforms and textile products for multiple federal and state contracts, consistently achieving on-time delivery and 100% compliance with specifications.
- Engineered and delivered custom fabrics tailored for specialized military training and operational environments, enhancing durability and performance in the field.
- Collaborated with defense contractors and prime vendors to fulfill textile and uniform requirements for multiple branches of the U.S. Armed Forces, supporting mission readiness with reliable, high-quality products.
